

DeIORIO'S®

Ultra *Thin* *Crust* Line

Raw Dough or Par Baked

Delorio's Ultra Thin Crust Line is based on our original pizza dough recipe, using only naturally matured, unbleached wheat flour. It has the convenience of a pre-shaped product and a shorter thaw time than a traditional dough ball, making them ideal for easy-to-prepare applications. The pizza dough arrives fully stretched and ready to thaw, proof, top, and bake and is available in both Raw Shells and Par Baked Shells.
